

ANOTHER GREAT BREAKTHROUGH

BY

**DIAMOND BACK
GUTTER COVERS**

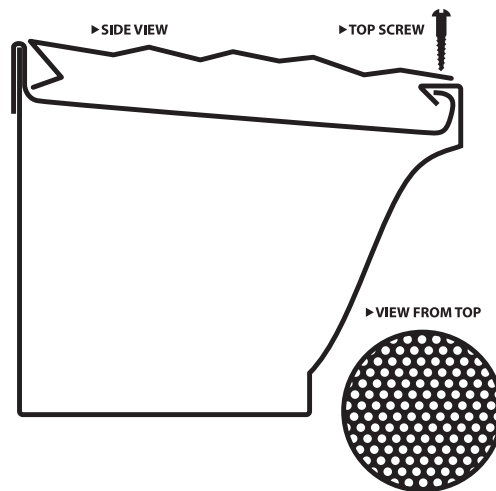

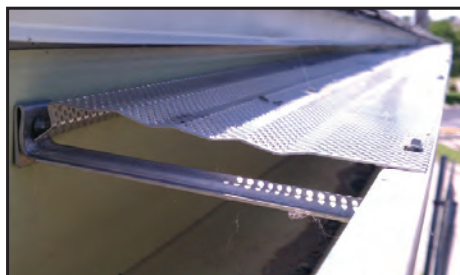

"strike back against leaves"

ONE OF THE FASTEST GROWING GUTTER COVER COMPANIES WITH ONE OF THE HIGHEST RETENTION RATES IN THE INDUSTRY.

HOLEY MOLEY FEATURES:

- Perforated gutter cover that out performs all the others
- Over 100 hours of research involved in taking the "BUGS" out of perforated gutter covers
- Eliminates debris collecting and has a lot more holes to handle more water
- Is NOT a recessed product so it will shed debris better!
- "WAVE" technology... forces water through the product faster
- Self-cleaning product... unlike the other perforated gutter covers.
